Australasian Talent Company helps you navigate London life

**Decided to travel and work in London? Great choice.
Not sure where to start when you get there?**

That's where we can help.

Who We Are

We have been working in the London recruitment marketplace since 1990 and, as a niche recruitment provider, the Australasian Talent Company assists candidates and clients with all types of support recruitment, including temporary, contract and permanent.

Our clients expect the best people available in the marketplace and without the right people registered and working with us we can't deliver. That's why we ensure we take care of everyone who joins our team.

You will be paid very competitive market rates for all the work you do and we can find you short and long term roles to suit your needs.

Dealing with the Red Tape

Once you start working we can also help with some of the chores so many travellers find challenging. We can help you set up a bank account and your National Insurance number (a legal requirement to work in the UK). We can even provide you with a reference letter for landlords to help you find somewhere to live.

Where to Start

Whatever your needs give us a call and we will do our very best to help.

Send your CV to us either before you leave or on arriving in London to enquiries@australasiantalent.com and visit our website at www.australasiantalent.com for useful information on working in London.
